Master's

HIGH-ROOF 14 PASSENGER

Master's Transportation is a proud distributor of Master's Motors custom upfits. By engineering a premium commercial upfit package onto the reliable, tech-forward Ford Transit passenger chassis, we provide organizations with the exact customization, durability, and safety features their routes demand. This specialized vehicle configuration is designed to optimize your operations by providing a premium passenger experience in a highly flexible, non-CDL platform. Maximize your vehicle utilization, protect your drivers, and bypass licensing restrictions with a transit asset built to perform.

Warranty

Manufacturer Warranty	• Master’s Motors - 3 year/36,000 Miles
Chassis Warranty	• Engine: 5 year/60,000 miles • Bumper to Bumper: 3 Year/36,000 miles

All vehicles come with warranty, but Master's Transportation offers more value without the added cost. Our coverage and support comes with each of our new buses — standard.

We Process All The Warranty Registrations
We register all of your bus parts for you, no more pesky warranty cards to fill out. This includes all parts, wheelchair lift, electronics, HVAC, etc.

We Handle All The Paperwork
We administer and coordinate any warranty work. You make one call to our warranty department, and they take it from there.

Repair Facilities Near You
When warranty work is needed, we use service repair facilities near the bus location. We have over 2,900 authorized centers and growing. You will never have to drive far to get repairs completed.

Our Core Values

- We Relentlessly Pursue Excellence.
- We Demand a Culture of High Integrity.
- We Have a Positive, Can-Do Attitude.
- We Are Solution Oriented.
