

Master's

14 PASSENGER SPRINTER

Elevate your executive transportation standards with the all-new Master's Motors Mercedes-Benz Sprinter. Expertly upfitted on the globally renowned Mercedes Sprinter chassis, this premium shuttle van effortlessly accommodates up to 14 passengers plus your driver in absolute comfort. Under the hood, a high-efficiency 2.0L Diesel engine paired with a seamless automatic transmission delivers commanding, reliable performance. Designed to maximize passenger volume without compromising luxury, it offers a first-class driving and riding experience. Passenger and driver safety are fully optimized with a backup alarm, retractable seat belts, a fire extinguisher, a first aid kit, and emergency triangles for complete peace of mind. Ideal for corporate hospitality, airport transits, or upscale group travel and leisure.

We Process All The Warranty Registrations

We register all of your bus parts for you, no more pesky warranty cards to fill out. This includes all parts, wheelchair lift, electronics, HVAC, etc.

We Handle All The Paperwork

We administer and coordinate any warranty work. You make one call to our warranty department, and they take it from there.

Repair Facilities Near You

When warranty work is needed, we use service repair facilities near the bus location. We have over 2,900 authorized centers and growing. You will never have to drive far to get repairs completed.

Our Core Values

- We Relentlessly Pursue Excellence.
- We Demand a Culture of High Integrity.
- We Have a Positive, Can-Do Attitude.
- We Are Solution Oriented.
